AFFIDAVIT

1. A telephone conference call occurred on January 16, 2019. During the conference attorney, Christopher Thomas discussed many matters associated with the matter at hand.
2. The issues of filing documents were discussed and we had agreed that an answer to the complaint would be extended for an additional 21 days in hopes of settling this case. I was also unaware that my Rule 26(f) report was also due within a certain time. I am asking the Court for additional time to file these documents. I understand that Christopher Thomas, Esquire has no objection to my motion.
